**SUPPLY OF FILM-POSITIVES FOR THE  
PURPOSE OF ADVERTISEMENT IN  
THE TRADE MARKS JOURNAL**

The Trade Marks Journal was so far got published on "Letter Press", for which the parties had to supply necessary printing blocks. The Government Printing Press has now regretted to continue printing of the Journal by the said process on this ground that this hot metal composing has totally been abolished. It has now, therefore, been decided to get the Journal Printed by "Offset Process" instead of Letter-press process.

The Applicants and/or their Agent/Attorneys are therefore informed that henceforth they should supply with immediate effect the suitable "Film-positives" of their marks (instead of printing blocks) for the purpose of advertisement in the Journal. The "Film positives" should be of sufficient size so as to show clearly all features of the label, but should not, in any case, exceed the prescribed size 5" x 6".

**APPLICATION NUMBERS**

In each advertisement the number stated before the specification of goods indicates the number of the application.

**OPPOSITION**

Notice is hereby given that any person who has grounds of opposition to the registration of any of the marks advertised herein according to classes under the heading "Application Advertised before Registration" may, within two months from the date of this Journal, lodge Notice of Opposition on Form T.M-5 accompanied by the prescribed fee of Rs.3000/-.

The period for lodging Notice of Opposition may be extended by the Registrar if he thinks so and upon such terms as he may direct.

Request for extension of time shall always bear the reference the name of prospective opponent and the number of Trade Marks, if any, to be made basis of opposition.

It is desirable that formal opposition should not be lodged until notice has been given by letter to the applicant for registration, so as to afford him an opportunity of withdrawing his application before the expense of preparing the Notice of Opposition is incurred. Failure to give such notice may be taken into account in considering any application by an opponent for an order of costs if the opposition is uncontested by the applicants.

<p align="center"><b>ASSOCIATED MARKS</b></p> <p>Where it is stated that an advertised mark is to be associated (under Section 12 of the Trade Mark Act 1940)</p> <p>With another mark indicated by its official number, the number given in parentheses is that of "The Trade Marks Journal" in which the other mark was advertised. <p align="center"><b>REVISED SUBSCRIPTIONS</b></p> <p>The Journal is published on the 1st day of every month according to the Gregorian Calendar. ## NOTIFICATION

It is notified for general information that Form TM-1, must be completed in all respects and informations asked for must be provided. Instructions for Completions of TM-1, given on this form in the Rules should be followed. The instruction at (f) and (g) relating to user and signature are clear and noncompliance leads to over work for the Trade Marks Registry and un-necessary delay for the Applicants. Incomplete forms will not be received, and if received by POST will not be examined at their turn, till they are complete in all respects.

## EXTENSION OF TIME

2. It has been observed that in opposition and Rectification cases, both the parties or their Agents/Advocates make requests on Form TM-56 for Extension of time, which are liberally granted to the parties. This practice not only delays the disposal of cases, but also results in accumulation of work. In order to discourage this practice, it is notified for general information that no unnecessary extension of time will be allowed except substantiated by cogent and convincing reasons and that mere collection of data or compilation of paper would not be sufficient reasons for asking such extension. All concerned should note and cooperate for early disposal of contested cases. Besides requests for extension of time in opposition cases must be accompanied by valid power of authorization, without which such requests are liable to be treated as un-authorized.

## AUTHENTICATION OF FOREIGN DOCUMENTS AND POWER OF ATTORNEY.

3. It is notified for general information that all Foreign Documents and the Power of Attorneys shall be executed before, and authenticated by a Notary Public, or any Court, Judge, Magistrate, Consul or Vice Consul, or Representation of the Central Government as enumerated in Section 85 of the Evidence Act.
