NOTIFICATION

It is notified for general information that Form TM-1, must be completed in all respects and informations asked for must be provided. Instructions for Completions of TM-1, given on this form in the Rules should be followed. The instruction at (f) and (g) relating to user and signature are clear and noncompliance leads to over work for the Trade Marks Registry and un-necessary delay for the Applicants. Incomplete forms will not be received, and if received by POST will not be examined at their turn, till they are complete in all respects.

EXTENSION OF TIME

2. It has been observed that in opposition and Rectification cases, both the parties or their Agents/Advocates make requests on Form TM-56 for Extension of time, which are liberally granted to the parties. This practice not only delays the disposal of cases, but also results in accumulation of work. In order to discourage this practice, it is notified for general information that no unnecessary extension of time will be allowed except substantiated by cogent and convincing reasons and that mere collection of data or compilation of paper would not be sufficient reasons for asking such extension. All concerned should note and cooperate for early disposal of contested cases. Besides requests for extension of time in opposition cases must be accompanied by valid power of authorization, without which such requests are liable to be treated as un-authorized.

AUTHENTICATION OF FOREIGN DOCUMENTS AND POWER OF ATTORNEY.

3. It is notified for general information that all Foreign Documents and the Power of Attorneys shall be executed before, and authenticated by a Notary Public, or any Court, Judge, Magistrate, Consul or Vice Consul, or Representation of the Central Government as enumerated in Section 85 of the Evidence Act.
